

# ASDW2412

32" x 23.38" x 17.75" (H x W x D)

24" wide shallow depth built-in undercounter ADA compliant wine cellar with glass door, stainless steel interior, black cabinet, lock, and digital controls

### Highlights:

Uniquely shallow depth under 18" for an easy fit in kitchen islands

Elegant design with a seamless stainless steel glass door trim

32" height fits under lower ADA compliant counters

### Product Features:

|                                    |                                                                                                                                                                              |
|------------------------------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| 24" wide wine cellar               | Single zone wine cooler for residential or commercial cold storage                                                                                                           |
| Less than 18" deep                 | Unique 17.75" shallow depth is ideal for wet bars, island kitchens, and other undercounter areas with limited footprint space                                                |
| ADA compliant design               | 32" height allows easy installation under lower ADA compliant counters                                                                                                       |
| Adjustable height                  | Leveling legs can be extended up to 2", with a slide-out kickplate that allows you to raise the overall height from 32" up to 34" if used under more standard sized cabinets |
| Built-in capable                   | Front-breathing design lets you make the best use of space by installing your appliance under the counter                                                                    |
| Stainless steel interior           | Walls and floor are constructed from stainless steel for added strength and easy cleanup                                                                                     |
| Double pane tempered glass door    | Elegant design offers a clear but protected view of your interior                                                                                                            |
| Seamless stainless steel door trim | Glass is framed by with a flush one-piece stainless steel trim for an elevated look                                                                                          |
| Factory installed lock             | Keyed lock for a secure interior (2 keys included)                                                                                                                           |
