

Black panel and polished stainless steel, Foglia features a gently arched front that softens the units profile and provides an angled panel for easy access to the controls.

Available in 30" & 36" widths, Foglia includes a powerful 600 CFM blower, LED lighting with dimmable feature, stainless steel microhole filters and capacitive touch controls that deliver convenience and safety.

Designed for standard ducted installation, Foglia can also be installed as a recirculating system using the Recirculating Kit, available as an accessory.
