

30" PANEL-READY BUILT-IN COLUMN REFRIGERATOR, RIGHT SWING

Signature Features

JBRFR30IGX

DARING OBSIDIAN INTERIOR

Inspired by the beauty of volcanic glass, this industry-exclusive dark finish erupts with reflective, high-contrast style. Reject the unfeeling, lifeless vessel of harsh steel. Let fine foods and beverages emerge from the interior of your columns like vibrant art, begging to be devoured.

REMOTE ACCESS

Open door. Power outages. Filter changes. Connect to WiFi for real-time notifications and control your columns from anywhere. Tap and swipe on both iOS and Android devices.

SEAMLESS TOUCHES

With a stealth flush door, columns go incognito until you open wide. The industry-first Obsidian hinge and concealed details melt into their volcanic surroundings.

ECLIPTIC LIGHTING

Live beyond the shadow. Abandoning the dark spots cast by dated puck lighting, over 650 LEDs frame and fill your column, coming alive at a touch of the controls. Each zone awakens and pulses as you mold your column to your desires.

SOLID GLASS AND METAL

All-metal bin and shelf frames. Thick, naturally odor-resistant solid glass. A forcefield at the edge that prevents spillovers. To hell with cheap plastic in luxury door bins, shelves and liners.

HARD CORE STEEL DOOR PANELS

Luxury doesn't shimmy. This panel has an industry-exclusive solid wood core that stands firm.

TRINITY COOLING

Revel in the trinity of food preservation: three zones, three precision sensors, calibrated every second. Fortified by an exposed air tower, you can conquer humidity levels and customize the temperature of each zone to your deepest desires.

OVER 250 CONFIGURATIONS

Freezer or refrigerator. Left-hand or right-hand swing. One, two, three columns in a row. Four different widths. With 12 one-unit options, 75 two-unit combinations and over 250 three-unit combinations, configuration is where bespoke begins.

MAGNET-TO-METAL SEAL

We frame and line our columns in metal—not the spineless plastic of outdated luxury. Powerful magnets in our gaskets grasp the column directly, creating an impenetrable, airtight seal.

Technical Specifications

Details

Design Expression: Panel-Ready
Levelers: 2 Black
Refrigerator Type: Column Refrigerator
Wheels: 4-Natural

Exterior Details

Cabinet Color: Black
Cabinet Finish: Smooth
Counter Depth: Yes
Door Color: Panel Ready
Door Finish: Textured
Door Opening Direction: Right
Door Style: Flat

Smart Compatibility

Smart Appliance: Yes
Works With:

- App
- Remote Access
- WiFi

Dispenser Details

Dispenser Options: Filtered Water
Dispenser Pad Color: Black
Dispenser Type: Interior Water Only

Refrigerator Details

Conventional Shelves: 3 Adjustable Full-Width Glass
Deli Drawer: 1 Flexi-Slide Bin
Liner Finish: Obsidian(MetallicBlack)
