

18" PANEL-READY BUILT-IN COLUMN FREEZER, RIGHT SWING

Signature Features

JBZFR18IGX

DARING OBSIDIAN INTERIOR

Inspired by the beauty of volcanic glass, this industry-exclusive dark finish erupts with reflective, high-contrast style. Reject the unfeeling, lifeless vessel of harsh steel. Let fine foods and beverages emerge from the interior of your columns like vibrant art, begging to be devoured.

REMOTE ACCESS

Open door. Power outages. Filter changes. Connect to WiFi for real-time notifications and control your columns from anywhere. Tap and swipe on both iOS and Android devices.

SEAMLESS TOUCHES

With a stealth flush door, columns go incognito until you open wide. The industry-first Obsidian hinge and concealed details melt into their volcanic surroundings.

ECLIPTIC LIGHTING

Live beyond the shadow. Abandoning the dark spots cast by dated puck lighting, over 650 LEDs frame and fill your column, coming alive at a touch of the controls. Each zone awakens and pulses as you mold your column to your desires.

SOLID GLASS AND METAL

All-metal bin and shelf frames. Thick, naturally odor-resistant solid glass. A forcefield at the edge that prevents spillovers. To hell with cheap plastic in luxury door bins, shelves and liners.

HARD CORE STEEL DOOR PANELS

Luxury doesn't shimmy. This panel has an industry-exclusive solid wood core that stands firm.

DIVINITY FREEZING

One provocative air tower. Two precision sensors. Calibrated every second. United, they keep freezer temperatures from swinging and spirits impeccably chilled.

OVER 250 CONFIGURATIONS

Freezer or refrigerator. Left-hand or right-hand swing. One, two, three columns in a row. Four different widths. With 12 one-unit options, 75 two-unit combinations and over 250 three-unit combinations, configuration is where bespoke begins.

MAGNET-TO-METAL SEAL

We frame and line our columns in metal—not the spineless plastic of outdated luxury. Powerful magnets in our gaskets grasp the column directly, creating an airtight seal.

Technical Specifications

Exterior Details

- Cabinet Color: Black
- Cabinet Finish: Smooth
- Counter Depth: Yes
- Door Color: Panel Ready
- Door Finish: Textured
- Door Opening Direction: Right
- Door Style: Flat
- Handle Material: Metal
- Handle Type: Reach Through Handle
- Hidden Hinge: Yes
- Reversible Door: No

Details
