

RISE™ 48" GAS RANGETOP

Signature Features

CAST IRON GRATES

Robust geometric grates form one graceful surface, crafted to withstand heavy woks and cookware.

CHROME-INFUSED GRIDDLE

Cast off porous, superficially plated options. Go deeper. Infused with chrome, our griddle cleans up well after heavy usage.

STAR-K CERTIFIED

20,000 BTU DUAL-STACKED POWERBURNER

This 20,000 BTU dual-stacked PowerBurner can handle high-powered cooking while still being gentle enough for delicate simmering with turndown of 1,650 BTU.

DUAL-STACKED POWERBURNERS

Two stacked, symmetrical flames bloom and retreat at your inclination, offering total control over heat levels. High-heat searing and wok cooking. Low, slow simmer and melt. Infinite intermediate settings satisfy every appetite.

RISE™ DESIGN EXPRESSION

Forged for an era of striking proportions, robust lines draw the eye and an asymmetrical, diamond-knurled texture wraps around a strong, postured handle.

ELECTRONIC IGNITION WITH FLAME-SENSING™ REIGNITION

Burnout banned. If a sudden draft blows out a flame, intelligent Flame-Sensing™ reignition automatically sparks it back to life.

HALO-EFFECT KNOBS

A halo of luminary LEDs glows softly when the burner is lit or the oven is on.

9,000 BTU DUAL-STACKED POWERBURNER

A dual-stacked PowerBurner that reaches a maximum power level of 9,000 BTU and fulfills most everyday cooking functions with turndown of 1,000 BTU.
