

48" RISE™ GAS PROFESSIONAL-STYLE RANGETOP WITH CHROME-INFUSED GRIDDLE AND GAS GRILL

Signature Features

CAST IRON GRATES

Robust geometric grates form one graceful surface, crafted to withstand heavy woks and cookware.

CHROME-INFUSED GRIDDLE

Cast off porous, superficially plated options. Go deeper. Infused with chrome, our griddle cleans up well after heavy usage.

HALO-EFFECT KNOBS

A halo of luminary LEDs glows softly when the burner is lit or the oven is on.

20,000 BTU DUAL-STACKED POWERBURNER

This 20,000 BTU dual-stacked PowerBurner can handle high-powered cooking while still being gentle enough for delicate simmering with turndown of 1,650 BTU.

GRILL

Grilling knows no season. Our founder's legacy is rekindled as we bring grilling back indoors. Harness 16,000 BTUs of searing, even heat coursing beneath cast iron grates.

14 RANGETOP CONFIGURATIONS

Bend fire to your will. Grills, griddles, brass burners. Three widths. With 14 unique configurations, it's up to you. Cast off porous, superficially plated options. Go deeper. Infused with chrome, our griddle cleans up well after heavy usage. Underneath, a serpentine element powers our best griddle preheat. Fire up the grill for indoor entertainment on your terms.

ELECTRONIC IGNITION WITH FLAME-SENSING™ REIGNITION

Burnout banned. If a sudden draft blows out a flame, intelligent Flame-Sensing™ reignition automatically sparks it back to life.

DUAL-STACKED POWERBURNERS

Two stacked, symmetrical flames bloom and retreat at your inclination, offering total control over heat levels. High-heat searing and wok cooking. Low, slow simmer and melt. Infinite intermediate settings satisfy every appetite.

9,000 BTU DUAL-STACKED POWERBURNER

A dual-stacked PowerBurner that reaches a maximum power level of 9,000 BTU and fulfills most everyday cooking functions with turndown of 1,000 BTU.
