

RISE™ 27" SINGLE WALL OVEN

Signature Features

MULTIMODE® CONVECTION SYSTEM

Steady heat is circulated by whirling metal blades, weaving around every flat tine. Wield your cooking prowess from marbled meats to succulent roasts.

TEMPERATURE PROBE

Know when dinner is done without ever opening the door. Four points of contact deliver temperature readings visible on the LCD screen.

JET BLACK OVEN INTERIOR

Captivation cloaked in black. Behind the dark glass door, ramp-up cinematic lighting illuminates resilient racks and an enticing jet black interior.

4.3-INCH FULL COLOR LCD DISPLAY

A highly interactive, full-color LCD touchscreen is packed with dynamic features that allow you to navigate effortlessly through settings and cooking options including temperature and cooking mode.

NO PREHEAT BAKING

Bake on a single rack without the wait using No Preheat Baking

CINEMATIC LIGHTING

Lights, camera, cook. Halogen lighting increases to full intensity, minimizing shadows and dramatically showcasing food.

GLIDE RACK

Smooth moves. Glides in and out fluidly and quietly, even when fully loaded.

MY CREATIONS

Curate recipe presets at will. Bake for 30 minutes, broil for four and keep dishes warm until you're ready to dine-all without getting up to reset the oven for each stage.

SEAMLESS TOUCHES

Seamlessly designed with a stainless steel surrounding, smooth and flush with cabinetry. Oven elements hide beneath the surface. Concealed details blend into the background, disguising every vent, screw and gasket for a fluid front.
