

NOIR 24" DOUBLE DRAWER REFRIGERATOR/FREEZER

Signature Features

DARING OBSIDIAN INTERIOR

Inspired by volcanic glass, this dark finish erupts with reflective, high-contrast style. Let the object of your desire emerge like vibrant art, begging to be consumed.

SMOOTH CLOSE DRAWERS

Smooth moves. Each fully-extendable drawer opens and closes fluidly and quietly, even when fully loaded.

DRAWER DIVIDERS

Divide and conquer. Add or remove barriers to organize each drawer as you see fit.

STEALTH FLUSH DESIGN

Create an unbroken silhouette. Discreet ⅛" reveals envelop every side, without exposed hinges or trim pieces.

EMOTIVE CONTROLS

Hold sway over every zone. Let your light-guided touch coax out the flavors of beverages, spirits and tempting bites.

4.7 CU. FT. CAPACITY

Keep guilty pleasures close by. With 2.2 cu. ft. in the upper drawer and 2.5 cu. ft. in the lower drawer, there's room for whatever you're craving.

8 TEMPERATURE PRESETS

Silky gelato. Four temperature presets in each drawer allow you to set zones according to your desires. Set the freezer to Soft Serve, Assorted, Spirits or DeepFreeze.

LED LIGHTING

LED lights instinctively come alive, chasing away shadows to reveal vivid details.

AUTOMATIC DEFROST

Minimizes the possibility of food spoilage and helps the appliance operate at peak performance without ever having to manually defrost.
