

# Dual Fuel Range, 48", 4 Burners, 4 Induction Zones, Self-cleaning

Series 11 | Professional

Stainless Steel | Natural gas

With both induction and gas cooktops and two convection ovens, you're ready to create a feast – guided by an intuitive touchscreen.

- Guided cooking using your touchscreen makes it simple to cook by food, function or recipe.
- Top burner heat of 23,500 BTU, for seriously fast boiling
- Four induction cooking zones, which can be paired to form two SmartZones

- 6.9 cu ft total oven capacity across two oven cavities

## DIMENSIONS

Height	35 3/4 - 36 3/4"
Width	47 7/8"
Depth	29 1/8"

## FEATURES & BENEFITS

### Cook with confidence

Our touchscreen interface provides an intuitive guided cooking experience that helps deliver perfect results, whether you've been cooking all your life or just starting out. Cook with a favorite method, a hero ingredient, or a go-to cooking function or recipe. The screen tilts for improved ergonomics and optimal visibility while cooking.

### Generous capacity

Two independently operating cavities provide a large total capacity of 4.8 cu. ft. in the main cavity and 2.1 cu. ft. in the secondary. That's enough room for a 32 lb turkey in one oven, and your sides in the other.

### Cooking flexibility

No matter what you're cooking, you've got the right heat to get perfect results. Each of the 15 oven functions in the main cavity and 11 in the secondary have been extensively researched and carefully designed to cater to a broad range of dishes and cooking styles. The handy food probe helps you monitor your progress.

### Cooktop power

On the gas side of the cooktop, Sealed dual flow burners deliver power up to 23,500 BTU, while the induction side delivers up to 3700W. This finely tuned cooktop provides instant and immediate control from the highest heat to the most gentle simmer.

### Design quality

This range has craftsmanship in every detail, with real stainless steel, high-quality glass, and beautifully weighted, halo illuminated dials. Each cavity features incandescent lights and full extension telescopic racks. From the robust legs to the powerful cooktop, this Range is built to last.

### Easy to clean

The oven features a self-cleaning function and self-clean proof side racks, which don't need to be removed when using this function. The induction zones only need a quick wipe after use to keep them clean.

## SPECIFICATIONS

### Accessories

Square handle option	AH-R48
----------------------	--------

Burner ratings

Maximum burner power	23500 BTU
Power back left	18500BTU
Power back right	18500BTU
Power front left	23500BTU
Power front right	18500BTU
Total cooktop power	79000 BTU
